

## Envelope Information Cover Sheet

### Included in This File

The items contained in this PDF file are:

- GSA Supply Schedule, Office Supplies, pages 25 through 31
- Envelope Samples
  - CCC payment envelope
  - #10 plain envelope
  - #10 plain envelope, First Class Presort
  - #10 plain envelope, Standard (A) bulk
  - #10 window envelope
  - #10 window envelope, First Class Presort
  - #10 window envelope, Standard (A) bulk

The GSA numbered pages should replace the pages in your current catalog, because the following pages contain GSA envelope ordering information that has changed for contract year 1998. Also included are samples of envelopes with indicias for first class pre-sort and standard (A) bulk mailing. The CCC payment envelope does not have samples with indicias, because normally, with direct deposit, offices will not have enough per mailing to presort.

### Exceptions

The samples with the Standard (A) mailing indicia include the “Return Service Requested” endorsement. The USPS does not require an endorsement on Standard (A) mailings to qualify for a mailing discount, but an endorsement may be used if you wish to do so.

### Editing the Return Address

The return address area of the PDF files may be edited, allowing the State office to type the names and addresses of county offices for which they are placing orders. This will allow the State office to include samples with their envelope orders.

**Note:** When entering office name and address information into the return address area of the PDF file, the person typing the information will have to “click” their mouse out of the area before printing, otherwise, the return address area will be blank when the envelope sample is printed.

### Comments/Suggestions

If you'd like envelope examples placed on the BBS as separated files please email Reed Franklin.

# DELIVERY ZONES

## Delivery Zones

The items herein are covered by the zones below, which consist of the geographic areas specified, These zones are used to determine delivered prices.

### Zone 1

Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Puerto Rico, Rhode Island, Vermont and the Virgin Islands

### Zone 2
