Program Codes for Establishing Assignments and Joint Payments

Approved by: Deputy Administrator, Management

1 Program Codes for Assignments and Joint Payments

A Background

The Military Construction Appropriations and Emergency Hurricane Supplemental Appropriations Act of 2005 authorized the Livestock Assistance Program (LAP) and the American Indian Livestock Assistance Program (AILFP). Notice FI-2687 announced the program codes to be used for assignments and joint payments for these programs; however, the codes provided are for payments issued through the System 36. The 2005 LAP and AILFP will be paid through the National Payment Service (NPS), and therefore, the program codes are changed to reflect the web-based program.

B Purpose

This notice provides the program codes to use for electronic LAP and AILFP when establishing assignments or joint payments.
