Changes to Financial Inquiries Web Site for Tobacco CCC-1099's

Approved by: Associate Administrator for Operations and Management

1 Overview

A Background

On October 22, 2004, President Bush signed into law the American Jobs Creation Act of 2004, which included the Fair and Equitable Tobacco Reform, commonly referred to as the tobacco buyout bill. Under this legislation, payments are to be made to tobacco quota holders and producers and USDA will end all aspects of the federal tobacco marketing quota and price support loan programs, effective with the 2005 and subsequent crops of tobacco. County Office employees and tobacco producers or quota holders may access CCC-1099 information related to the tobacco buyout program on the Financial Inquiries web site.

B Purpose

This notice provides:

- detailed information on producer payments for Tobacco Transition Program Payment (TTPP) added to the Financial Inquiries CCC-1099 pages
- instructions for accessing the TTPP pages on the Financial Inquiries web site in the County Office.

C Contact

For technical problems with the application, contact the FSA National Help Desk at 1-800-255-2434, and select option 3, and then select option "4".

2 Introduction to Financial Inquiries Web Site

A How Producers Get Access to the Web Site

Producers who want access to the Financial Inquiries web site must register through USDA's eAuthentication registration process and obtain an account with level 2 access.

B TTPP Financial Information Available to Producers on the Financial Inquiries Web Site

CCC-1099's for TTPP are included on the Financial Inquiries web site beginning with calendar year 2005. Tobacco producers or quota holders may view end-of-year, corrected, and year-to-date activity. The inquiry options available are as follows.

- Year-to-Date Activity - data recorded since January 1 of the current year that will be reported on CCC-1099-G.
- End-of-Year CCC-1099-G – shows data reported on the original CCC-1099-G at the end of the tax year.
- End-of-Year CCC-1099-S – shows data reported on the original CCC-1099-S at the end of the year.
- End-of-Year CCC-1099-OID – shows data reported on the original CCC-1099-OID at the end of the year.
- End-of-Year CCC-1099-INT – shows data reported on the original CCC-1099-INT at the end of the year.
- Corrected CCC-1099-G – If required, an updated return is generated in the following year that includes all corrections made to the original CCC-1099-G. This inquiry will show information reported on the corrected CCC-1099-G.
- Corrected CCC-1099-S – If required, an updated return is generated in the following year that includes all corrections made to the original CCC-1099-S. This inquiry will show information reported on the corrected CCC-1099-S.
- Corrected CCC-1099-OID – If required, an updated return is generated in the following year that includes all corrections made to the original CCC-1099-OID. This inquiry will show information reported on the corrected CCC-1099-OID.
- Corrected CCC-1099-INT – If required, an updated return is generated in the following year that includes all corrections made to the original CCC-1099-INT. This inquiry will show information reported on the corrected CCC-1099-INT.

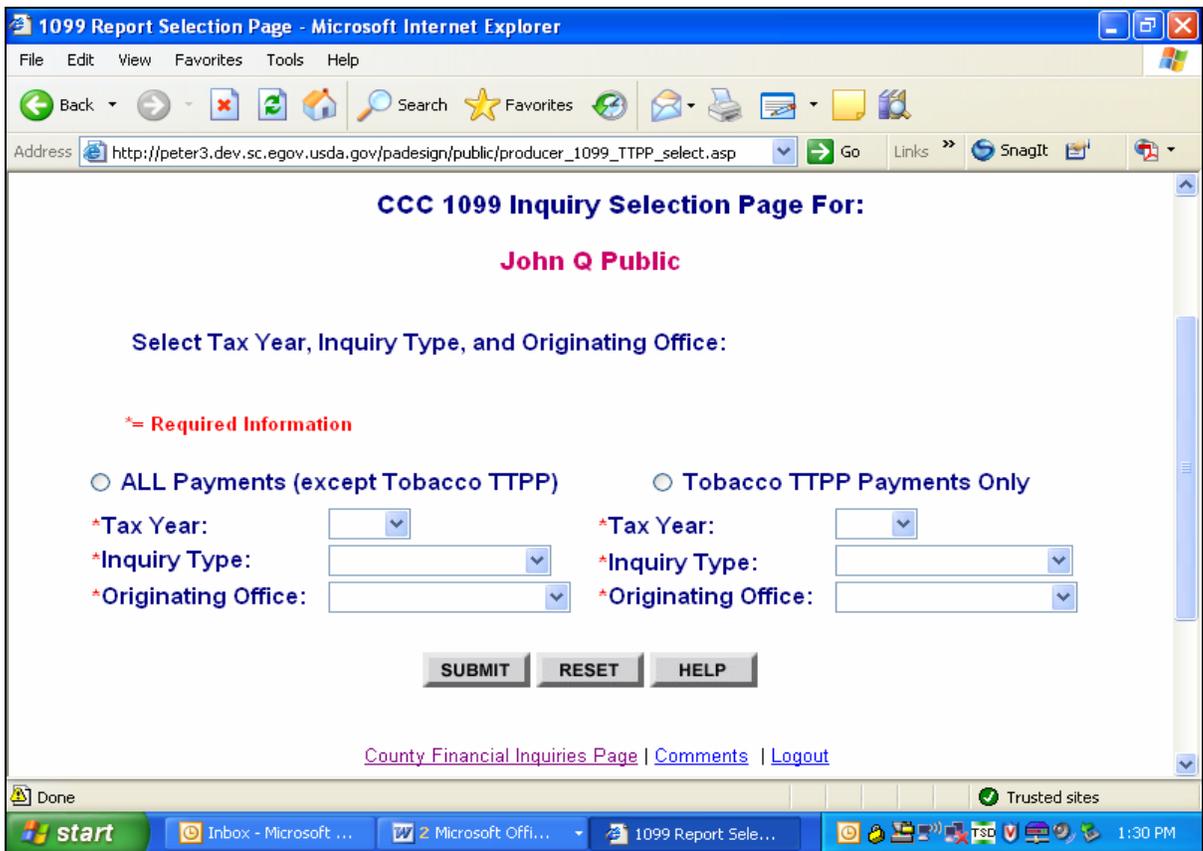

3 Using the Financial Inquiries Web Site in County Offices

A Accessing TTPP CCC-1099's on the Financial Inquiries Web Page

After obtaining a valid eAuthentication user ID and password, County Offices may use Netscape or Internet Explorer to access the Financial Inquiries web page. Access Financial Inquiries according to 1-FI, paragraph 288.3. From the “Select and Inquiry Type” drop-down menu, SELECT “1099/Refund Reports”, and CLICK “Submit”. The CCC-1099 Inquiry Selection Page will be displayed.

B Completing the CCC-1099 Inquiry Selection Page Screen

The CCC-1099 Inquiry Selection Page Screen allows users to view the IRS reportable information for the current year to date, or for up to 3 prior reporting years. Following is an example of the CCC-1099 Inquiry Selection Page Screen.

Note: The “Tobacco TTPP Payments Only” section will only display if the customer has received TTPP payments.
