

For: State and County Offices

**Policy Change for Printing NPS Signed Payment Lists**

Approved by: Associate Administrator for Operations and Management

**1 Using FWADM Signed Payment Reports**

**A Background**

The Financial Web Applications Data Mart (FWADM) was developed to support financial reporting for State and County Offices. A series of FWADM financial reports have been developed to support all farm payments, regardless of application source, routed to NPS for processing. The FWADM Signed Payment Report has been updated to display the user ID of the certifying and signing officials.

**B Purpose**

This notice advises State and County Offices:

- that the policy for printing and maintaining copies of the NPS signed payment lists was revoked by 1-FI, amendment 2

**Note:** Reports previously filed in FM-19-1 may be destroyed.

- to use the FWADM Signed Payment Report to view and print payment information.

**C Contact**

If there are questions about this notice, State Office shall contact Jackie Pickens by either of the following:

- e-mail to [jackie.pickens@wdc.usda.gov](mailto:jackie.pickens@wdc.usda.gov)
- telephone at 202-772-6027.

**D Effective Date of Policy Change**

This policy change was effective November 17, 2011.
