

For: State and County Offices

New Program Code for NAP Assignments and Joint Payments

Approved by: Associate Administrator for Operations and Management

1 New NAP Program Code

A Background

The NAP web-based application supports automated obligations in the electronic Funds Management System (e-FMS) web application.

B Purpose

This notice provides the NAP program code to be used when establishing new assignments or joint payments.

C Contact

State Offices with questions about this notice should contact Veronica Richardson, FMD by either of the following:

- e-mail at veronica.richardson@wdc.usda.gov
- telephone at 202-772-6029

D Program Code

The following code shall be used when entering information into Financial Services for 2011 and subsequent program years where “XX” is the last 2 digits of the program year.

On the “Create Assignment” or “Create Joint Payment” screens, click the “Program Alpha Code” radio button. See 63-FI for further Financial Services procedures. Enter the following alpha program code.

Program	Program Code	Program Description
NAP through Web-Based	XXENAP	Non-Insured Assistance Program

Disposal Date

February 1, 2013

Distribution

State Offices; State Offices relay to County Offices
