Postponement of Requirement to Notify Check Recipients of Payment Alternatives

Approved by: Associate Administrator for Operations and Management

1 Requirement to Notify Check Recipients of Payment Alternatives

A Background

63-FI, subparagraph 23 B, requires that State and County Offices send a disclosure letter, between July 1 and 15 each year, to payment recipients who continue to receive payment by check.

B Purpose

This notice informs State and County Offices that because of the high volume of workload in State and County Offices, the requirement to send the disclosure letter is being postponed until further notice.

Note: FMD is searching for an alternative method to accomplish the required notification without placing an extra burden on State and County Office employees.

State Offices with questions about this notice should contact Yanira Sanabria by either of the following:
