**Servicing Delinquent Accounts for Claimants Notified of the Adjudicator's
Decision in the *Pigford v. Glickman* Class Action**

Approved by: Deputy Administrator, Farm Loan Programs

1 Overview

A

Background

Claimants under the *Pigford v. Glickman* class action are now being notified by letter of the adjudicator's decision on their individual claims. In some cases, only part of the claimant's debt has been forgiven and outstanding loans may remain delinquent. Claimants that may have been delinquent or in foreclosure before filing their claim may now have loans written off and may have also received \$50,000 cash payment. With this new financial information, it may be possible to restructure the account.

Part of the Consent Decree mandated the appointment of a Monitor. On January 18, 2000, the Monitor was appointed for a five-year term. The appointment ends on January 17, 2005. One of the Monitor's responsibilities will be to review claimants request for the review of the adjudicator's decision. All claimants will have the opportunity to request a review of their claim by the Monitor.

Servicing Delinquent Accounts of Denied Claimants

State and County Offices may begin servicing outstanding loan accounts of claimants whose claims were denied and have outstanding debt that is delinquent. Servicing of these accounts will be handled in the following manner.

- Resume servicing of any outstanding debt according to existing regulations from the point servicing was stopped.
- These claimants will not receive new FmHA Instruction 1951-S servicing notices.

See subparagraph C for further guidance on acceleration and foreclosure.

C

Acceleration and Foreclosure

In a June 2, 2000, letter the Monitor notified all claimants of their right to submit a Petition for Monitor Review of the adjudicator's decision. On July 14, 2000, the Court issued an order providing claimants with 120 calendar days from the date of the order, or the date of the adjudicator's decision, whichever is later, to submit a Petition for Monitor Review. The National Office has agreed to give all claimants who submit their Petitions for Monitor Review within the 120-calendar-day time period the protection of a "freeze" on certain loan actions. To be covered by the freeze, a claimant's petition must be postmarked by either 120 calendar days after July 14, 2000 (by November 13, 2000) or by 120 calendar days from the date of the adjudicator's decision, whichever is later.

In all cases, servicing may continue up to the point of acceleration but **do not** take acceleration or foreclosure action on the account until further notice. The National Office will notify State and County Offices when any claimant files a Petition for Monitor Review. The "freeze" will remain in effect until the Monitor's review of the petition is complete and the adjudicator's reexamination, if any, is complete. Once a final decision by the Monitor has been issued, or adjudicator reexamination is complete, the National Office will notify State and County Offices that servicing may continue. For those claimants who do not submit a Petition for Monitor Review within the 120-calendar-day time period described in this subparagraph, the National Office will notify State and County Offices when it may proceed with acceleration or foreclosure actions.

Inventory Property

In addition to the freeze on certain loan actions described in subparagraph C, the National Office has agreed to a “freeze” on the sale of inventory property formerly owned by any claimant that was acquired by foreclosure. To be covered by the freeze, the claimant’s Petition for Monitor Review must be postmarked by either 120 calendar days after July 14, 2000 (by November 13, 2000) or by 120 calendar days from date of the adjudicator’s decision, whichever is later. SED’s shall ensure that they receive National Office approval on a case-by-case basis before advertising and again before selling inventory property previously owned by a claimant.

SED’s request for sale approval shall include the name and address of the previous owner of the inventory property involved. The National Office will verify the information to determine whether the former owner is a claimant who is covered by the freeze. For those claimants who do not submit a Petition for Monitor Review within the 120-calendar-day time period described in this subparagraph, the National Office will notify SED’s when the sale may proceed.

E

Appeal Hearing Pending

In some offices a claimant may have an appeal hearing in suspension pending the adjudication of their claim. When FSA is notified that the claim has been adjudicated, the office should then notify the Appeal Hearing Officer of the decision. FSA will provide the hearing officer with the name of the claimant, and as to whether the claimant prevailed or was denied. If the claimant prevailed, FSA will provide the type of benefit (that is, offset, loan written off, etc.) and the amount of the benefit.

Continue to service the claimants outstanding loan account(s) according to subparagraph A or B of this notice pending a decision of the appeal.

Dear [Claimant]:

The adjudicator in the *Pigford v. Glickman* class action has notified the Farm Service Agency (FSA) that your claim under Track A of the Consent Decree was approved. According to the Consent Decree, the adjudicator determined that you are to receive a cash payment, discharge of debt, or both. However, the outstanding balance on any other loans with you was not affected. As a result, one or more of your remaining loans are delinquent. Because debt may have been written off and a cash settlement received, your financial circumstances may have changed and may allow FSA to restructure your loans.

Attached is the "Notice of the Availability of Loan Servicing and Debt Settlement Programs for Delinquent Farm Borrowers" along with attachments. Please review and complete the enclosed forms within 60 calendar days of your receipt of the enclosed notice if you wish to apply for loan servicing, or the other benefits listed in the notice. If you need assistance in completing any of the forms, you may request the servicing official to assist you. If you have any questions, please contact our office at (telephone number).

Sincerely,

Farm Loan Manager

Note to Servicing Official: Borrowers identified in the Groups II and III of Notice FLP-155 will be sent this guide letter. These borrowers prevailed in the *Pigford v. Glickman* class action, but remain delinquent. FSA will begin FmHA Instruction 1951-S servicing again according to this notice.
