1 DDORS Reporting

A Background

DDORS allows DD's to complete their quarterly FLP oversight reports online.

The first quarter FY 2014 DDORS report has been waived by the FSA Administrator and DAFLP as a result of the furlough and reduction in force associated with Voluntary Separation Incentive Payment (VSIP) and Voluntary Early Retirement Authority (VERA).

Second quarter DDORS reporting begins January 1, 2014, with reports due April 30, 2014.

B Purpose

This notice announces that the:

- first quarter FY 2014 DDORS report has been waived

Note: While formal reporting is waived, DD's are encouraged to continue their oversight of FLP by monitoring electronic reports, conducting service center reviews when feasible and completing DDORS to the extent possible, to mitigate potential risk. See DLS and GLS reports accessible online, and 1-FLP, Exhibit 35 for source documents available to allow oversight of service centers from offsite.

- second quarter FY 2014 DDORS report will be completed in full.
