

**For:** State and County Offices

**FBP Import and/or Export Option**

**Approved by:** Acting Deputy Administrator, Farm Loan Programs

**1 Importing and/or Exporting Customer Financial Data**

**A Background**

WebEquity FBP allows financial customer data, that has been received from lenders and contractors that also use WebEquity, to be imported into a customer’s record. In addition, FSA employees can export financial data in a format that allows other Lenders and contractors using WebEquity to import the data into their customer records. Employees are encouraged to use the import and/or export option to exchange financial data with other entities that use WebEquity.

**B Purpose**

This notice provides additional guidance for entities that use WebEquity.

**C Farm Business Plan System User Guide**

The Farm Business Plan System User’s Guide is located in 1-FLP, Exhibit 15.
