New DLS/FSFL Web-Based System for the FSFL Program

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

Currently, FSFL's are processed using the System 36-based APSS in approximately 2,600 service centers nationwide. In an effort to streamline FSFL delivery, FLP DLS is being enhanced to allow support for the FSFL Program. DLS/FSFL will provide State, County and National Office employees with a single system that will support FSFL:

- loan making
- loan servicing
- reporting.

B Purpose

This notice informs State and County Office employees of the DLS/FSFL automation initiative.

2 DLS/FSFL

A DLS/FSFL Users

In the future, DLS/FSFL will provide authorized State, County, and National Office users the ability to process FSFL transactions.

Disposal Date	Distribution
October 1, 2014	State Offices; State Offices relay to County Offices

Notice FSFL-101

2 DLS/FSFL (Continued)

B Deployment Strategy

DLS/FSFL deployment is tentatively targeted for August 2014.

Before DLS/FSFL deployment, FSFL's processed in APSS will be migrated to DLS/FSFL and will be serviced in DLS/FSFL until those FSFL's are paid in full.

C Additional Information and Training

Policy and procedure for FSFL's will remain with PSD under DAFP. Future notices relating to DLS/FSFL will be forthcoming.

Note: DLS/FSFL training is being developed and State Office employees will be trained by the National Office **before** deployment.
