

For: FSA Offices

eAuthentication Application New Look

Approved by: Deputy Administrator, Management

1 Overview

A Background

Effective March 10, 2004, the eAuthentication System will have a new look. The application screens have been modified to adhere to USDA guidelines. These guidelines help ensure that major applications are consistent and user friendly.

The eAuthentication process was announced in Notice AO-1292.

B Purpose

This notice alerts FSA personnel that the eAuthentication screens will be changing.

C Contact

If additional information is needed, State and County Offices shall contact their State eGov Coordinators. All other employees shall contact either of the following:

- Ragh Singh at 202-720-7094
- Deborah Johnson at 202-720-0067.

Disposal Date

April 1, 2005

Distribution

All FSA Offices; State Offices; State Offices relay to County Offices

2 Information

A eAuthentication Process

Information on the eAuthentication process and access to training materials is available online at <http://intranet.fsa.usda.gov/fsatraining>.

All functionality that was previously available will continue to be available with this change.

B Screen Changes

In addition to the new look, the term “WebCAAF” will be replaced by the term “eAuthentication”.

The following is an example an eAuthentication screen with the new format.
