A

Background

Notice LD-513 was issued on July 25, 2001, and provided a final date for all WAMLAP-I and WAMLAP-II program activity.

On August 13, 2001, the President signed the \$5.5 billion fiscal 2001 emergency farm aid bill (H.R. 2213). This bill provides a supplemental payment to producers of wool, and producers of mohair, for the 2000 marketing year who previously received a payment under WAMLAP-II. This payment will be designated as WAMLAP-III. WAMLAP-I and WAMLAP-II activity must stop to capture all WAMLAP-II producers during the WAMLAP-III batch process.
