Canceling CCC-697 on Transferred Loan Commodities

Approved by: Acting Deputy Administrator, Farm Programs

1 Canceling CCC-697

A

Background 8-LP, Part 9, Section 5, provides provisions for locking in marketing loan repayment rates on CCC-697.

B

Purpose This notice informs State and County Offices of a policy change for canceling the lock in rate on CCC-697.

C

County Office Action Effective Monday, February 7, 2000, County Offices shall:

- cancel any CCC-697, regardless of when the CCC-697 expires, for loan quantities transferred beyond either of the following:
 - the county where the loan commodity was originally stored
 - a contiguous county to the above county, as applicable
- not allow a subsequent locked in repayment rate for quantities reconcentrated to a county that is beyond the originating county or contiguous county, as applicable
- allow repayments using the CCC-697 locked in repayment rate on loans transferred beyond the originating county or contiguous county, if either a CCC-681 or CCC-699 were approved by the County Office by COB, Friday, February 4, 2000.

D

Obsolete Notice Notice LP-1720 is obsolete.
