**Final Date for Accepting 2001 Crop Loan Deficiency Payment (LDP) Applications**

Approved by: Deputy Administrator, Farm Programs

**1 Final Loan Availability Date for LDP Applications**

**A**

**Background**

The Farm Security and Rural Investment Act of 2002 (the Act) extended 2001 crop year eligibility to producers who:

- produced eligible contract commodities on non-production flexibility contract (PFC) farms
- lost beneficial interest in an eligible commodity produced on a non-PFC or PFC farm.

Because the Act provided special authority to accept 2001 LDP requests beyond the normal final loan availability date for 2001 eligible commodities, the final loan availability was extended.
