2023 County Loan Rates for Wheat, Feed Grains, and Oilseeds

Approved by: Acting Deputy Administrator, Farm Programs

1 Crop Year 2023 County Loan Rates

A Background

The Agriculture Improvement Act of 2018 authorized 2019 through 2023 crop year MAL's and LDP's.

Crop year 2023 county loan rates were announced by the U.S Department of Agriculture's Commodity Credit Corporation on March 31, 2023.

B Purpose

This notice informs State and County Offices that county loan rates for 2023 crop barley, canola, corn, crambe, flaxseed, grain sorghum, mustard seed, oats, rapeseed, safflower, sesame seed, soybeans, sunflower seed, and wheat by class were posted to the PSD website on March 31, 2023.

C Premiums and Discounts

Crop year 2023 premiums and discounts for rice will be announced in a future 2-LP Grains and Oilseeds amendment.

D Website Access

State and County Offices may view or print loan rates from the PSD website at <https://www.fsa.usda.gov/programs-and-services/price-support/commodity-loan-rates/index> under Rates and More.
