UNITED STATES DEPARTMENT OF AGRICULTURE
Farm Service Agency
Washington, DC 20250

For: State and County Offices

Enhancements to the MIDAS Portal for Single Sign-On Functionality

Approved by: Deputy Administrator, Farm Programs

J Michael Schmidt

1 Overview

A Background

The MIDAS Portal serves as the gateway for accessing the CRM@FSA application. The portal also contains a second level navigation bar for accessing the Overview and Universal Worklist.

The second level navigation bar on the MIDAS Portal has been enhanced to include tabs to navigate directly to the FSA Intranet Applications.

This new functionality:

- allows for single sign on capabilities
- eliminates the need for users to re-authenticate
- does **not** eliminate the current FSA Intranet Application web site.

B Purpose

This notice provides an overview of the new single sign on functionality using the MIDAS Portal.

C Contact

If there are any questions about:

- this notice, contact Gina Smith at **gina.smith@mo.usda.gov**
- the FSA Intranet, contact the Web Services Office by e-mail at **askfsa@usda.gov**.

| Disposal Date	Distribution
July 1, 2014	State Offices; State Offices relay to County Offices

2   MIDAS Portal
