

For: State and County Offices

AGI Compliance Review Determinations “SED Determination” Access

Approved by: Acting Deputy Administrator, Farm Programs

1 Providing Employee Access Information

A Background

Notice PL-233 provided information on a new field that will become available in the web-based eligibility files to record the SED determination when the SED determined the AGI compliance was not met.

A limited number of State Office employees will be able to update the field.

B Purpose

The National Office is requesting the names of users to be granted update capability. The number of users will be restricted to 2 users per State Office.

C State Office Action

State Offices shall provide the following information for State Office employees that shall have access:

- name of employee
- employee’s eAuthentication user ID
- employee’s e-mail address
- employee’s office phone number.

Submit this information to Natalie Plummer, National Office, by e-mail to **natalie.plummer@wdc.usda.gov** by COB **April 13, 2012**.

Disposal Date May 1, 2012 4-4-12	Distribution State Offices; State Offices relay to County Offices
