

For: FSA and RMA Employees

**FY 2008 Individual Development Plan (IDP) Information for Employees**

Approved by: Deputy Administrator, Management

**1 Overview**

**A Background**

Annually, completing an IDP is required for **all** FSA and RMA permanent full-time employees. IDP's are:

- a tool to assist employees and their supervisors in identifying training needs
- used to improve or enhance core competencies and advance job skills needed by an employee to perform satisfactorily in their present position.

All new permanent full-time employees are required to have an IDP on file 90 calendar days after the employee reports for duty.

**Note: Employees shall use the AgLearn IDP process to develop their IDP.**

**B Purpose**

This notice:

- explains FY 2008 IDP requirements
- provides guidance for employees to complete their IDP's
- provides contact information.

<b>Disposal Date</b>	<b>Distribution</b>
October 1, 2008	All FSA and RMA Employees; State Offices relay to County Offices

## Notice PM-2613

### 1 Overview (Continued)

#### C Authorities

Training guidelines are available in agency handbooks and OPM regulations. Employees' training must comply with the following:

- agency guidelines
- OPM regulations
- Government Employees Training Act (GETA)
- Executive orders
- merit principles and equal employment opportunity considerations
- Comptroller General decisions.

**Note:** Agency training handbooks will be amended to include this revised policy and procedures for using the IDP AgLearn process.

#### D Reasonable Accommodations

Persons with disabilities who require accommodations should contact their local help desk.

#### E Deadline for Completing IDP's

All FSA and RMA employees **must** complete the required IDP's by **COB December 14, 2007**. If an employee is out of the office the entire time between the date this notice is issued and December 14, 2007, then that employee shall complete IDP **immediately** upon returning to the office.
