##### Online Report Updates to the PSD Web Site

The unofficial "LDP Summary" and "LDP/Loan/Market Gain Activity" Reports, disabled because of the Century Date Conversion software, have been reactivated. These reports are available as:

- national, State, and county levels for the "LDP Summary"
- national and State levels for the "LDP/Loan/Market Gain Activity".

The LDP/Loan/Market Gain report differs from other unofficial on-line reports in that it:

- is updated weekly, instead of daily
  - provides upland cotton loan and LDP data:
    - for both CCC-Form A (County Office) and CCC-Form G (approved CMA and authorized LSA) activities
    - in **pounds**, instead of bales.
