Automated Assignment and Joint Payment Processing for LDP's

Approved by: Deputy Administrator, Farm Programs

1 Updated Accounting Software for LDP's

A

Background

Accounting software was enhanced in County Release No. 411 to allow processing of LDP's through the automated assignment and joint payment system.

B

Purpose

This notice provides APSS users with a **reminder** about establishing LDP's in the Assignment and Joint Payment System.

C

**County Office
Action**

County Offices shall establish LDP Assignments and Joint Payments according to Notice FI-2371.

Once LDP assignments **or joint payments** have been established in the Assignment and Joint Payment System, County Offices **must not** enter the assignment/joint payment amounts in the "Enter Amount Due Other Payees" field on the Interim Payment Process Screen ABK10001 during LDP payment processing.
