2 Software Modifications

A

LDP Spot Check Selection Modifications

The monthly spot check process selection pool has been modified to include the following for a **9-month** period beginning the month following payment:

- certified LDP's
- certified field direct LDP's.

Once randomly selected for spot check an LDP is **never subject** to selection again.

After the **9-month** period, those LDP's **not** randomly selected for spot check will be automatically dropped from the spot check selection pool.

Measured LDP's are no longer included in the monthly spot check pool.

B

Modification of Category 2 Report Heading

Report 1D: PVB150-R001 for Category 2, that lists the loans and LDP's selected for spot check, has been modified to remove all references to Measured LDP's and now reads "Farm-Stored Regular Measured Loans".
