**Extending Dates for Recording Production Evidence (PE) for 1998 Crops**

Approved by: Acting Deputy Administrator, Farm Programs

**1 Modifications that Extend Entry Date for Final PE for Loans and LDP's**

**A**

**Background**

APSS entry of PE is required for 1998 crop year:

- LDP's
- loan repayments involving market gain.

Procedure requires that PE be submitted to the County Office by March 31, 2000, or May 31, 2000, as applicable to the commodity.

APSS is currently programmed **not** to allow entry of PE and issuance of an additional disbursement, when applicable, more than 60 calendar days past the above mentioned dates. Because of heavy workload, some County Offices have received PE timely but have not entered PE into APSS.

**B**

**Purpose**

This notice provides information about APSS modifications:

- provided by a broadcast detailed in Information Bulletin 1891
