

For: State and County Offices

**Processing 2000 Crop Nonrecourse Honey Loans and LDP's
Using Software Provided in County Release No. 454**

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A

Instructions

County Offices shall not process any 2000 crop honey nonrecourse loan and LDP transactions according to this notice until:

- **authorized to do so by a future LP notice**
- **actions according to subparagraph 2 B have been completed.**

B

Background

The Agriculture, Rural Development, FDA, and Related Agencies Appropriations Act (Act) for fiscal year 2001 provides for **nonrecourse** Marketing Assistance Loans and LDP's to producers of 2000 crop honey.

2000 crop year:

- **recourse** honey loans **must** be converted to **nonrecourse** honey loans
- nonrecourse marketing loan gains and LDP's are subject to the same \$150,000 price support payment limitation that applies to all other marketing assistance loans and LDP's for eligible commodities.

Notice LP-1769 provided policy for 2000 crop honey nonrecourse loans and LDP's.

Continued on the next page

Disposal Date	Distribution
July 1, 2001	State Offices; State Offices relay to County Offices

Notice PS-386

1 Overview (Continued)

C

Purpose and Reminder

This notice:

- provides **revised** instructions for using APSS software provided in County Release No. 454 to process 2000 crop year honey:
 - recourse loan conversion actions according to paragraph 3
 - nonrecourse loans according to paragraph 4
 - market loan repayments and settlements according to paragraph 5
 - LDP's according to paragraph 6
 - loan and LDP corrections according to paragraph 7

Reminder: County Offices shall **not** process any 2000 crop honey nonrecourse loan and LDP transactions until:

- authorized by a future LP notice
 - actions according to subparagraph 2 B have been completed.
- obsoletes Notice PS-385.
-

D

Handbooks

12-PS and 14-PS are being revised and combined into 1 handbook that will be released in the near future. After its release, the handbook will be amended to include the honey automation instructions provided in this notice. Therefore, the general references to 12-PS in paragraphs 5, 6, and 7 are guidelines only, respectively, for honey:

- market loan repayments
 - settlements
 - corrections.
-

E

Contact

Address automation questions about this notice, through the State Office, to George Stickels, Chief, User Requirement Branch, PSD, at 202-720-7874.

Notice PS-386

2 Basic Nonrecourse Honey Loan and LDP Program Information

A

Loans, LDP's and Loan Rate

After County Release No. 454 has been installed, 2000 crop year honey:

- loans shall be processed as nonrecourse loans for which market loan repayments can be processed at less than the loan rate when applicable
- that has not been pledged as collateral for a loan is eligible for LDP.

The loan rate applicable to 2000 crop nonrecourse honey loans and LDP's:

- is 65 cents per pound
 - must be entered on the County-Maintained Table File:
 - as "65.00" in the "Cents Per Lb" field on Screen PAA78020
 - according to:
 - 14-PS, Part 9
 - the sequence of instructions provided in paragraph 3 B of this notice.
-

B

Eligibility and PLM

Because 2000 crop honey nonrecourse market loan gains and LDP's are subject to the 2000 crop price support payment limitation that is system-monitored and limited by APSS, County Offices shall ensure that all applicable subsidiary files for applicable honey producer(s) are established according to 2-PL **before** processing any transactions according to this notice.

C

Commodity Information

2000 crop honey nonrecourse loan and LDP:

- eligible classes are:
 - Table (T)
 - Nontable (N)
 - commodity abbreviation is "HONY".
-

Continued on the next page

Notice PS-386

2 Basic Nonrecourse Honey Loan and LDP Program Information (Continued)

D

Interest

Interest for nonrecourse honey loans, when applicable, will accrue in the same manner as for all other nonrecourse loans.

E

Service Fee

Service fee:

- for nonrecourse honey loans is system-calculated as the smaller of:
 - $\frac{1}{2}$ (.005) of 1 percent times the gross loan amount
 - \$45 per loan, plus \$3 for each lot over 1
 - does not apply to LDP's.
-

F

Loan Availability and Maturity

See Notice LP-1769 for final loan availability date information for 2000 crop honey.

G

Program Codes

The program code for 2000 crop:

- **nonrecourse** honey loans is "00HONYLN"
 - honey LDP's is "00LDPHONY".
-

H

Assessments

Assessments do **not** apply to 2000 crop honey loans and LDP's.

Notice PS-386

3 2000 Crop Recourse Honey Loan Conversion Actions

A

Instructions

After County Release No. 454 has been installed, and according to the eligibility time frame detailed in Notice LP-1769, subparagraph 2 D, process conversion actions for 2000 crop recourse honey loans that were disbursed and have:

- had **no** repayments, according to the table in subparagraph B to:
 - convert the loan to a nonrecourse loan
 - provide additional disbursement on entire loan quantity
- been **partially** or **fully** repaid, according to the table in subparagraph C to:
 - convert the loan to a nonrecourse loan
 - provide additional disbursement on entire loan quantity
 - refund applicable repayment interest
 - provide applicable market gain.

Note: To ensure that all recourse honey loans are addressed according to this notice, County Offices shall process a County Loan Summary Report, Report ID: PAA260-R001, for honey according to 14-PS, paragraph 969.

Notice PS-386

3 2000 Crop Recourse Honey Loan Conversion Actions (Continued)

C

Partially or Fully Repaid Loans

Process conversion of a recourse loan that has been **partially** or **fully** repaid, by:

- **first** completing ALL instructions in subparagraph B

Note: “Y” before “loan-making” in the correction process detailed in subparagraph B results in receivable in Accounting for loan amount, and an out-of-balance CCC-257 until re-entry processing is completed.

- **then** re-entering the repayment according to this table.

Conversion Actions	
IF...	THEN...
<p>The recourse loan has been:</p> <ul style="list-style-type: none"> • partially repaid • fully repaid 	<ul style="list-style-type: none"> • re-enter repayment as manual market loan repayment in APSS, according to 12-PS, Part 9, using: <ul style="list-style-type: none"> • original repayment date • applicable “announced” CCC-determined value for 2000 crop honey • applicable repaid quantity • enter, on Screen PPD98000, the original repayment amount in “Amount Received” field <p>Notes: Original repayment amount will always be more than total amount due. After CCC-500 prints in APSS, processing automatically moves to Accounting.</p> <ul style="list-style-type: none"> • select “Already Prepared CCC-257” on Screen AGK00500 • enter, on Screen AGK00540, the original CCC-257: <ul style="list-style-type: none"> • schedule number • deposit date • enter, on Screen AGK01500, the original repayment check number in “Check/Item Number” field • enter, on Screen AGK01505, the screen-displayed sequence number in the “Enter corresponding Seq #” field • answer, on Screen AGK01510, “Y” to the question, “Is this an overpayment that needs to be refunded?” to generate a refund check to the producer for the applicable: <ul style="list-style-type: none"> • interest to be refunded • market gain due.

Notice PS-386

4 Processing Nonrecourse Honey Loans in APSS

A

Ensure Loan Rate On File

Verify that the **nonrecourse** loan rate has been correctly entered into the computer according to subparagraph 2 A.

B

APSS Honey Loan Procedure

Process nonrecourse loans according to the following table.

Important: The date the loan is approved by CCC must be on or before the date of loan disbursement.

Ensure that funds are not disbursed by CCC-184 or electronic funds transfer before signatures of all producers or authorized agents are obtained and loan is approved by CCC.
