

For: State and County Offices

**Loan-making and LDP-making Block When Interest Rate Unavailable
Using APSS Software Provided in County Release No. 455**

Approved by: Acting Deputy Administrator, Farm Programs

1 APSS Modification

A

Background

Marketing Assistance Loan and FSFL interest rates are downloaded to County Offices each month. County Offices can also enter the interest rate on the APSS interest rate table when download is not successful. When an incorrect interest rate is entered on the interest rate table, corrective action is required.

B

Purpose

This notice provides information about an APSS “**block**” in loan-making and LDP-making when the applicable interest rate is **not** on the table.

C

Interest Rate “Block”

County Release No. 455 provides a “block” in loan-making and LDP-making when the applicable interest rate is **not** on the County-maintained Interest Rate Table. This “block”:

- advises users the applicable interest rate is not on file
- instructs users to call their State Office to obtain the interest rate by **download**.

State Offices shall:

- provide applicable interest rate download to County Offices on a timely basis
- contact the National Office when the applicable interest rate download is unavailable.
