**Processing 2001 Crop Year Electronic Loan Deficiency
Payments (e-LDP's) in 21 Authorized Beta Test Site County Offices**

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A

Background

With the era of Internet-based USDA services just beginning, PSD has been leading the development of an e-LDP system that will:

- give eligible producers (users) quick, efficient access to applications and funds
- function in addition to commodity loan/LDP delivery through County Offices and approved Cooperative Marketing Associations
- be Beta tested in 21 selected County Offices nationwide

Note: The 21 selected e-LDP Beta test site County Offices are as follows:

- Cross County, Arkansas
- Cass County, Illinois
- Adams County, Indiana
- Jasper County, Iowa
- Marshall County, Kansas
- Christian County, Kentucky
- East Carroll County, Louisiana
- Jackson County, Michigan
- Lyon County, Minnesota
- Nodaway County, Missouri
- Chouteau County, Montana

Part C - Producer Certification

I certify that all information entered on this request is true and correct. By completing and reviewing Part A and by submitting this request the producer (Producer), hereby makes a claim for payment from the Commodity Credit Corporation (CCC) with respect to the commodity described in Part B and agrees to accept the loan deficiency payment (LDP) rate in effect for the applicable commodity for the county where the commodity is stored and the rate in effect as of the date of this LDP request. The producer further understands that with respect to the commodity described in Part B (1) to receive payment for the commodity, a request for payment must be made at the County FSA Office where the farm records are kept; (2) any false claim or false statement made may lead to civil liability or criminal prosecution; (3) this LDP may be selected for spot check and the producer will be required to provide supplemental documents to determine program eligibility; (4) that the producer agrees to forgo a commodity loan on the quantity requested for LDP and that the producer may not repay or refund any LDP amount in order to obtain a commodity loan; (5) CCC may require copies of sales contracts for the production represented by this application; (6) this application is subject to determination by CCC of the Producer eligibility to receive LDP, and that this application and CCC determination are subject to 7 CFR Part 1421, as applicable; (7) CCC shall require the refund of the LDP amount, plus interest from the date of payment if the producer is later determined by CCC to be ineligible for the LDP; and (8) CCC shall assess liquidated damages in accordance with 7 CFR Part 1421, as applicable, if the producer misrepresented the eligible commodity indicated above; and (9) that maximum eligible quantity determinations must equal the yield used for determining disaster or crop insurance payments, as applicable.

7 Data Processing From Web Farm DB2 Platform to County Office AS/400

A Data Collection for Download

An automated process has been developed that:

- collects e-CCC-633 LDP data
 - disseminates the e-CCC-633 LDP data through transmission processing
 - downloads e-CCC-633 LDP files directly from the e-LDP Web Farm server to the System Support Program side of the applicable County Office AS/400.
-

B File Replication

For e-LDP's, the process detailed in subparagraph A replicates, in a format separate and distinct from County Office A.PL.xxx production files, the following files on County Office AS/400 to support applicable e-LDP legacy information processing:

- A.PE.001 (Master File)
 - A.PE.005 (Storage/Bin Records)
 - A.PE.010 (Farm/Disbursement/Market Gain Records)
 - A.PE.015 (Producer File)
 - A.PE.260 (Market Gain Payment History File)
 - A.PE.203 (Transaction History File).
-

C Market Gains

The A.PL.260 Market Gain Payment History File, which is now used for PLM validations in AS/400 LDP-making transactions, has been enhanced to now contain an e-LDP allocation record that will represent the e-LDP/PLM allocation as recorded in the applicable:

- user's e-LDP Producer Profile
- County Office AS/400.

Note: The total of an applicant's e-LDP allocation amount plus the AS/400 PLM amount cannot exceed \$150,000.

Notice PS-428

7 Data Processing From Web Farm DB2 Platform to County Office AS/400 (Continued)

D

Transmission of e-LDP Data

A new transmission process:

- disseminates e-LDP data according to subparagraphs A through C
 - looks for KCAO, Telecommunications Division-downloaded files at the end-of-day, and if any are found:
 - reads the header record
 - determines which file group they belong to
 - writes the data to applicable files, according to subparagraph B, until the trailer record is found
 - deletes the transmission file when the trailer record is found and after all data has been written.
-

E

Using e-LDP Data

e-LDP data that is transmitted to applicable County Offices according to this paragraph shall be used for the following administrative reports capabilities:

- spot-check processing
 - LDP Summary Reports
 - marketing gain reporting.
-
