

For: FSA Offices

eLDP Profile Availability for the 2005 Crop Year Wool, Mohair, and Pelts

Approved by: Acting Deputy Administrator, Farm Programs

1 eLDP Profiles for the 2005 Crop Year Wool, Mohair, and Pelts

A Background

On September 20, 2004, County Offices began establishing 2004 crop year eLDP profiles for producers on CCC-634E according to Notice PS-495.

The 2005 crop year for wool, mohair, and pelts began on January 1, 2005.

B Purpose

This notice provides notification to County Offices that 2005 profiles can now be established for the 2005 crop year wool, mohair, and pelts.

C Establishing eLDP Profiles for the 2005 Crop Year Wool, Mohair, and Pelts

County Offices:

- now have the availability to establish eLDP profiles for the 2005 crop year wool, mohair, and pelts through the Internet
- shall continue to establish profiles according to Notice PS-495.
