

**For:** State and County Offices

**Processing 2006 Lentil eLDP's**

**Approved by:** Acting Deputy Administrator, Farm Programs

**1 eLDP Software Enhancement**

**A Background**

USDA established regional loan rates for lentils beginning with the 2006 crop year. Before the 2006 crop year, the lentil loan and LDP rate was based on a national rate. The eLDP software was disabled on May 1, 2006, because the eLDP process had to be modified to accept regional LDP rates for lentils.

Notice PS-555 instructed State and County Offices to process 2005 crop year lentil LDP applications using the Automated Price Support System (APSS).

**B Purpose**

This notice informs State and County Offices that the eLDP software has been enhanced to accept and process 2006 lentil LDP's.

**C Contact**

For questions or situations **not** addressed in this notice, State Offices shall contact either of the following.
