Issuing Payments for the Dairy Disaster Assistance Payment (DDAP-III) Program

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

The DDAP-III Program:

- is authorized in U.S. Troop Readiness, Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act of 2007, Section 9007
- will provide \$16 million in assistance to dairy producers who suffered losses in counties declared a natural disaster during the period of January 1, 2005, through December 31, 2007, by the Secretary; a major disaster or emergency designation by the President; or a determination of FSA Administrator's Physical Loss Notice.

Contiguous counties are included.

B Purpose

This notice provides instructions for issuing DDAP-III using FSA's Intranet DDAP-III web application.

2 Calculating and Releasing DDAP-III Amounts

A Eligible Payments

Notice LD-601 provides:

- authorization to pay DDAP-III
- the payment factor for eligible losses in each applicable disaster year for dairy operations.

Total dairy production losses calculated in the DDAP-III application software that exceed the 20 percent threshold will be multiplied by the payment rate to determine the amount of the dairy operation's payment.

Disposal Date	Distribution
January 1, 2009	State Offices; State Offices relay to County Offices

Release Payments

Each eligible disaster year lists the operation and the eligibility status of each producer. Joint operations include the status of their members.

Subsidiary error messages are displayed in red beneath the associated producer. Additional eligibility error messages are described in the Help text.

Note: Ensure that the eligibility status is correct for the selected producer. Any changes to the subsidiary record will take approximately 10 minutes to display within the DDAP-III application. Once payment is released, payment corrections will be unavailable until Phase III is released at a future date.

To release payments, CLICK **“Release Payments”**. The DDAP-III Home Page will be redisplayed.
