State Office Reporting System (SORS) Enhancements

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

The SORS software update scheduled for release on April 16, 2012, includes the following:

- new and enhanced reports with congressional district information
- eLDP activity added to existing detail report
- LDP and eLDP combined in Economist report
- ability to choose MAL, LDP, and/or eLDP activity on existing reports.

B Purpose

This notice provides general information about the enhancements included in the software release.

2 SORS Congressional District

A General Information

The congressional district associated with the producer receiving price support benefits has been added to new and existing SORS reports based on the following:

- congressional district from SCIMS
- Note:** Incomplete or invalid congressional district will display "Unknown" in reports.
- contact producer information if there is more than 1 producer
 - list of congressional districts according to 2010 census including all districts since the 2000 census.

Disposal Date	Distribution
January 1, 2013	State Offices; State Offices relay to County Offices, CMA's, and DMA's

Notice PS-695

2 SORS Congressional District (Continued)

A General Information (Continued)

Congressional district will be displayed on the report as “SS-NN” where “SS” is the State code and “NN” is the congressional district number.

Note: The list of United States congressional districts in Wikipedia was also used as a reference.

B Congressional District Reports

SORS provides new National and State level reports of loans, LDP's, eLDP's, and FSFL activities by producer congressional district for each type of activity.

Additionally, the following reports have been enhanced to include congressional district data:

- Loan and LDP Detail Report (PK8)
- Loan Detail (MDR225)
- LDP and eLDP Detail (MDR226)
- FSFL Detail Report (MDV250-R0001).

3 Additional Enhancements

A Add eLDP to Existing Report

The following reports have been enhanced to add eLDP data:

- State Class Summary (PRF235)
- County Class Summary (PRF230)
- Loan and LDP Detail Report (PK8).

B Combine LDP and eLDP in Economist Report

The modified SORS Economist report has combined regular LDP's and eLDP's made.

C Enhance Selection Option

The ability to filter the data by type of activity (that is loan, LDP, eLDP) has been added to SORS reports.

D Use SCIMS Data

Producer data used in SORS reports will come from SCIMS.
