

For: Tobacco State and County Offices

Size Groups of Tobacco Farms Report

Approved by: Acting Deputy Administrator, Farm Programs

1 Processing Size Groups of Tobacco Farms Report by Kind

A Background

The Size Groups of Tobacco Farms Report for each kind of tobacco is only available nationally when requested by TD. TD has received numerous requests for the 2003 data.

Considering the number of requests for this data, it is necessary to capture this information from County Offices promptly.

B Purpose

This notice provides instructions for processing and transmitting the Size Groups of Tobacco Farms Report for each kind of tobacco.

C County Office Action

County Offices shall generate the Size Groups of Tobacco Farms Report for each kind of tobacco as follows not later than **July 11, 2003**:

- flue-cured tobacco (PSL-17R) according to 9-TB SCOAP, subparagraph 284 C
- burley tobacco (PSL-23R) according to 10-TB SCOAP, subparagraph 284 C
- other kinds of tobacco (PA-102R) according to 1-TB SCOAP, paragraph 297.

D State Office Action

State Offices shall transmit reports to KCAO not later than **July 16, 2003**.

Disposal Date December 1, 2003	Distribution Tobacco State Offices; State Offices relay to applicable County Offices
