Revised Submission Dates for Burley Tobacco Reports

Approved by: Deputy Administrator, Farm Programs

1 Burley Tobacco Reports

A Background

10-TB SCOAP instructs County Offices to generate and transmit the following:

- PSL-14R on March 15, 2004
- PSL-20R after annual calculations
- PSL-23R when requested
- PSL-68R on April 15, 2004.

The 2004 burley tobacco rollover was delayed to provide an opportunity to capture producer marketings through the end of the normal auction marketing season; therefore, due dates for PSL-14R, PSL-20R, PSL-23R, and PRL-68R have been revised.
