A

**Completing
CCC-950**

The following are instructions for manually completing a CCC-950. See Exhibit 1.

Notes: The manually completed CCC-950 will be used to load application data into the System 36.

Use CCC-950 (7-24-00).

Item	Instructions
1	Enter State code.
2	Enter county code.
3	Enter FSN.
4	Check applicable kind of tobacco. Note: A separate CCC-950 must be filed for each kind of tobacco.
5	Check applicable box. The farm must earn P&CP credit for the 2000 crop year for the kind of tobacco selected in item 4 in order to be eligible for TLAP00.
6	Enter the name, address, telephone number, and identification number for the farm operator.
7	Enter the administrative County Office name, address, and telephone number.

B

Completing CCC-950, Part B Part B shall be completed as follows by owners for all eligible kinds of tobacco.

Item	Instructions
8	<p>Enter the total basic quota pounds for the farm using the information available from Menu TLAP00, option 1 and/or option 2.</p> <p>Notes: Dark Fire-Cured tobacco (type 21) basic quota is derived from multiplying the farm's basic allotment times the NASS yield of 2139 lbs. per acre.</p> <p>Cigar Binder (types 54-55) basic quota is derived from multiplying the farm's basic allotment times the NASS yield of 2054 lbs. per acre.</p>
9	<p>Enter the name, address, and identification number of the first quota owner.</p> <p>Note: Because CCC-950 is taken by farm for a selected kind of tobacco, when multiple owners share in the same basic quota on the farm, all owners shall be included on the same application.</p>
10	<p>Enter the pounds of basic quota to be allocated to the quota owner entered in item 9.</p> <p>Note: In the case of husband and wife when both are owners, each will be required to allocate pounds and sign CCC-950 in order for each to be eligible for a payment.</p>
11	<p>The quota owner entered in Item 9 shall sign and date.</p>
12 through 14	<p>Repeat items 9 through 11 for each additional quota owner, if applicable.</p> <p>Note: Use CCC-950-A for additional quota owners. See Exhibit 2.</p>
15	<p>The total pounds allocated in items 10 and 13, plus any additional quota owner allocated pounds listed on CCC-950-A, may differ from item 8 because of rounding quota or undesignated pounds.</p>

C

Completing CCC-950, Part C Part C shall be completed as follows by controllers for Burley and Dark Fire-Cured (Type 21).

Item	Instructions
16	Enter the total effective quota pounds for the farm before any approved disaster lease and transfer pounds. Note: Dark Fire-Cured tobacco (type 21) effective quota is derived from multiplying the farm's total effective allotment times the NASS yield of 2139 lbs. per acre.
17	Enter the name, address, and identification number of the first controller. Note: When multiple controllers share in the same effective quota on the farm, all controllers shall be included on the same application. The allocated pounds must reflect the division of payment pounds.
18	Enter the pounds of effective quota to be allocated to the controller entered in item 17.
19	The controller entered in item 17 shall sign and date.
20 through 22	Repeat items 17 through 19 for each additional controller, if applicable. Note: Use CCC-950-A for additional controllers.
23	The total pounds allocated in items 18 and 21, plus any additional controller allocated pounds listed on CCC-950-A, may differ from item 16 because of rounding quota or undesignated pounds.

D

Completing CCC-950, Part D Part D shall be completed by the grower/tenant as follows for Burley and Dark Fire-Cured (Type 21).

Item	Instructions
24	Enter the total effective quota pounds for the farm before any approved disaster lease and transfer pounds.
25	Enter the name, address, and identification number of the first grower/tenant.
26	Enter the pounds of effective quota to be allocated to the grower/tenant entered in item 25.
27	The grower/tenant entered in item 25 shall sign and date.
28 through 30	Repeat items 25 through 27 for each additional grower/tenant, if applicable. Note: Use CCC-950-A for any additional grower/tenant.
31	The total pounds allocated in items 26 and 29, plus any additional grower/tenant allocated pounds listed on CCC-950-A, may differ from item 24 because of rounding quota or undesignated pounds.

E

Completing CCC-950, Part E Part E shall be completed by the producer as follows for Flue-Cured and Cigar Binder (Types 54-55).

Item	Instructions
32	Enter the total basic quota for the farm. Note: Cigar Binder (types 54-55) basic quota is derived from multiplying the farm's total basic allotment times the NASS yield of 2054 lbs. per acre.
33	Enter the name, address, and identification number of the first producer.
34	Enter the pounds of basic quota to be allocated to the producer entered in item 33.
35	The producer entered in item 33 shall sign and date.
36 through 38	Repeat items 33 through 35 for each additional producer, if applicable. Note: Use CCC-950-A for additional producers.
37	The total pounds allocated in items 34 and 37, plus any additional producer allocated pounds listed on CCC-950-A, may differ from item 32 because of rounding quota or undesignated pounds.

**TLAP00
Software in
System 36**

County Offices should install BETA-OA release immediately when received. This release contains the following 2 software options under Tobacco Loss Assistance Program 2000 Menu MNE00:

- option 1, "Display Farm and Tract Data"
- option 2, "Print Multiple Farm and Tract Data".

Option 1 will display:

- total basic quota for all tracts on the farm for Burley and Dark Fire-Cured (type 21)
- total effective quota for all tracts on the farm for the kind of tobacco selected.

Option 2 will print information displayed under option 1 for a selected range of farms, and for each tract on the farms, for the kind of tobacco selected.

Software to load CCC-950 application data into the System 36 will be available in County Offices around September 5, 2000. Instructions will be provided in a forthcoming TB notice.
