**Approving TLAP00 Payments When All Parties Have Not Filed**

Approved by: Deputy Administrator, Farm Programs

**1 Overview**

**A**

**Background**

Notice TB-972 provided instructions for approving CCC-950's for payment. This notice gave COC the authority to approve or disapprove all CCC-950's and gave instructions for acting on an application where a payment to an individual that has a share in the quota payment pounds filed timely, but all parties that share in the quota have **not** filed a timely application for payment.

To meet the statutory payment disbursement deadline, TLAP00 sign up was implemented as a certification program.

**B**

**Purpose**
