

USDA Issues Quarantine Designation for 15 Primary Counties in Minnesota

News Release | Minnesota | April 11, 2024

Low-Interest Emergency Loans Available to Poultry Producers Affected by Highly Pathogenic Avian Influenza

The United States Department of Agriculture (USDA) Farm Service Agency (FSA) extends much-needed emergency credit to producers recovering from natural disasters and, in this case, quarantines through [emergency loans](#). Emergency loans can be used to meet various needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or refinancing certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.
