

USDA Designates Three Texas Counties as Primary Natural Disaster Areas Due to Excessive Rain, Flash Flooding, Hail, High Winds, Lightning, and Excessive Heat

News Release | Texas | May 07, 2024

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

Impacted Area: Texas

Triggering Disaster: Excessive Rain, Flash Flooding, Hail, High Winds, and Lightning occurring on May 25, 2023

Application Deadline: December 24, 2024

Primary Counties Eligible: Lamb

Contiguous Counties Also Eligible: Bailey, Castro, Cochran, Hale, Hockley, Lubbock, and Parmer

Triggering Disaster 2: Excessive Heat occurring from June 1, 2023, through September 30, 2023

Application Deadline: December 24, 2024

Primary Counties Eligible: Kleberg and Nueces

Contiguous Counties Also Eligible: Aransas, Brooks, Jim Wells, Kenedy, and San Patricio
