WASHINGTON, Sept. 3, 2024 - The U.S. Department of Agriculture (USDA) announced loan interest rates for September 2024, which are effective Sept. 1, 2024. USDA Farm Service Agency (FSA) loans provide important access to capital to help agricultural producers start or expand their farming operation, purchase equipment and storage structures or meet cash flow needs.

"I encourage our lenders and borrowers alike to work with our local offices and our cooperators to capitalize fully on the existing flexibilities in these important programs," said FSA Administrator Zach Ducheneaux.

Operating, Ownership and Emergency Loans

FSA offers farm ownership, operating and emergency loans with favorable interest rates and terms to help eligible agricultural producers, whether multi-generational, long-time, or new to the industry, obtain financing needed to start, expand or maintain a family agricultural operation.

Interest rates for Operating and Ownership loans for September 2024 are as follows:

- [Farm Operating Loans](#)(Direct): 5.250%
- [Farm Ownership Loans](#)(Direct): 5.500%
- [Farm Ownership Loans](#)(Direct, Joint Financing): 3.500%
- [Farm Ownership Loans](#)(Down Payment): 1.500
- [Emergency Loan](#)(Amount of Actual Loss): 3.750%

FSA also offers guaranteed loans through commercial lenders at rates set by those lenders. To access an interactive online, step-by-step guide through the farm loan process, visit the [Loan Assistance Tool](#) on farmers.gov.

Commodity and Storage Facility Loans

Additionally, FSA provides low-interest financing to producers to build or upgrade on-farm storage facilities and purchase handling equipment and loans that provide interim financing to help producers meet cash flow needs without having to sell their commodities when market prices are low. Funds for these loans are provided through the Commodity Credit Corporation (CCC) and are administered by FSA.

- [Commodity Loans](#)(less than one year disbursed):5.625%.
- [Farm Storage Facility Loans](#):
 - Three-year loan terms: 4.000%
 - Five-year loan terms: 3.875%
 - Seven-year loan terms: 3.875%
 - Ten-year loan terms: 4.000%
 - Twelve-year loan terms: 4.125%
- [Sugar Storage Facility Loans](#)(15 years): 4.250%

Farm Loan Program Process Improvement

FSA recently announced significant changes to Farm Loan Programs through the [Enhancing Program Access and Delivery for Farm Loans rule](#). These policy changes, to take effect Sept. 25, 2024, are designed to better assist borrowers to make strategic investments in the enhancement or expansion of their agricultural operations.

FSA also has a significant initiative underway to streamline and automate the Farm Loan Program customer-facing business process. For the over 26,000 producers who submit a direct loan application annually, FSA has made various improvements, including:

- The [Online Loan Application](#), an interactive, guided application that is paperless and provides helpful features, including an electronic signature option, the ability to attach supporting documents, such as tax returns, complete a balance sheet and build a farm operating plan.
- The [Loan Assistance Tool](#) that provides customers with an interactive online, step-by-step guide to identifying the direct loan products that may be a fit for their business needs and to understanding the application process.
- An [online direct loan repayment feature](#) that relieves borrowers from the necessity of calling, mailing or visiting a local Service Center to pay a loan installment.
- A [simplified direct loan paper application](#), reduced from 29 pages to 13 pages.

- A new [educational hub](#) with farm loan resources and videos.

More Information

Since the Inflation Reduction Act was signed by President Biden in August 2022, USDA's Farm Service Agency has provided approximately \$2.4 billion in immediate assistance to more than 43,000 distressed borrowers. The deadline to request assistance through the [Inflation Reduction Act Assistance for Distressed Borrowers](#) and [Discrimination Financial Assistance Program](#) has passed. Any applications submitted before the program deadlines are currently under review. Visit the related program webpages for more information.

To learn more about FSA programs, producers can contact their local USDA Service Center. Producers can also prepare maps for acreage reporting as well as manage farm loans and view other farm records data and customer information by logging into their [farmers.gov](#) account. Producers without an account can sign up today.

FSA helps America's farmers, ranchers and forest landowners invest in, improve, protect and expand their agricultural operations through the delivery of agricultural programs for all Americans. FSA implements agricultural policy, administers credit and loan programs, and manages conservation, commodity, disaster recovery and marketing programs through a national network of state and county offices and locally elected county committees.
