USDA Designates 5 Nebraska Counties as Primary Natural Disaster Areas

Emergency Designation | Nebraska | October 21, 2024

Nebraska

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through emergency loans. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the U.S. Drought Monitor, these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Nebraska

Triggering Disaster: Drought

Application Deadline: June 16, 2025

Primary Counties Eligible: Gage, Jefferson, Morrill, Nuckolls, Thayer

Contiguous Counties Also Eligible:

State: Nebraska contiguous counties include Banner, Box Butte, Cheyenne, Clay, Fillmore, Garden, Johnson, Lancaster, Otoe, Pawnee, Saline, Scotts Bluff, Sheridan, Webster

Additional State: Kansas contiguous counties include Jewell, Marshall, Republic, Washington
