

USDA Designates Arapahoe County, Colorado as Primary Natural Disaster Area for Drought

Emergency Designation | Colorado | November 01, 2024

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for eight or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Colorado

Triggering Disaster: Drought that started on August 20, 2024

Application Deadline: June 16, 2025

Primary Counties Eligible: Arapahoe

Contiguous Counties Also Eligible:

Colorado: Adams, Denver, Douglas, Elbert, Jefferson, Lincoln, and Washington
