

## USDA Designates New Jersey Counties Primary Natural Disaster Areas Due to Excessive Heat, Excessive Rain and High Winds; Additional Counties in Pennsylvania and New York as Contiguous

**Emergency Designation | Pennsylvania | November 19, 2024**

Pennsylvania

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.
