FSA's Customer Kiosks now available nationwide

The new customer kiosks from USDA's Farm Service Agency are now available at every county office nationwide. These kiosks help to streamline your visit to your local county office and easily access a variety of features such as signing FSA documents, utilizing the Loan Assistance Tool, browsing USDA programs, accessing the internet, accessing necessary personal information, and signing up for a Login.gov account, which provides access to farmers.gov level two features and other USDA and U.S. Government web resources. Future kiosk functionality enhancements include a customer check-in application, self-service option for FSA program applications and documents, financial inquiries and more.
