News Release | Montana | June 16, 2025

Deadline to apply for economic injury loans approaching

Montana

SACRAMENTO, Calif. - The [U.S. Small Business Administration \(SBA\)](#) is reminding eligible small businesses and private nonprofit (PNP) organizations in Montana of the July 14, 2025, deadline to apply for low interest federal disaster loans to offset economic losses caused by drought beginning Sept. 17, 2024.

The disaster declaration covers the Montana counties of Carter, Custer, Fallon, Garfield, Powder River, Prairie and Rosebud.

Under this declaration, SBA's [Economic Injury Disaster Loan \(EIDL\)](#) program is available to small businesses, small agricultural cooperatives, nurseries, and PNPs with financial losses directly related to the disaster. The SBA is unable to provide disaster loans to agricultural producers, farmers, or ranchers, except for small aquaculture enterprises.

EIDLs are available for working capital needs caused by the disaster and are available even if the business or PNP did not suffer any physical damage. The loans may be used to pay fixed debts, payroll, accounts payable and other bills not paid due to the disaster.

"Through a declaration by the U.S. Secretary of Agriculture, SBA provides critical financial assistance to help communities recover," said Chris Stallings, associate administrator of the Office of Disaster Recovery and Resilience at the SBA. "We're pleased to offer loans to small businesses and private nonprofits impacted by these disasters."

The loan amount can be up to \$2 million with interest rates as low as 4% for small businesses and 3.25% for PNPs with terms up to 30 years. Interest does not accrue, and payments are not due until 12 months after the date of the first loan disbursement. The SBA sets loan amounts and terms based on each applicant's financial condition.
