

USDA Designates Three Washington Counties as Primary Natural Disaster Area for Drought

Emergency Designation | Washington | July 29, 2025

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for eight or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Washington

Triggering Disaster: Drought

Application Deadline: 3/16/2026

Primary Counties Eligible: Asotin, Garfield, Whitman

Contiguous Counties Also Eligible:

- **Washington:** Adams, Columbia, Franklin, Lincoln, Spokane
- **Idaho:** Benewah, Latah, Nez Perce
- **Oregon:** Wallowa
