

Federal Emergency Management Agency Designates 2 Counties in Oklahoma as Natural Disaster Areas Due to Severe Storms, Fires, and Winter Storms

Emergency Designation | Oklahoma | September 30, 2025

This Presidential disaster declaration allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.
