

## USDA Designates One Texas County as Natural Disaster Area

Emergency Designation | Texas | January 14, 2026

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

**Impacted Area:** Texas

**Triggering Disaster:** Drought (Fast-Track)

**Application Deadline:** August 31, 2026

**Primary Counties Eligible:** Austin

**Contiguous Counties Also Eligible:** Colorado, Fayette, Fort Bend, Waller, Washington, and Wharton
