USDA Designates Five Wyoming Counties as Primary Natural Disaster Areas

Emergency Designation | Utah | April 22, 2026

Seven contiguous counties in Wyoming are eligible for assistance

Utah

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through emergency loans. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the U.S. Drought Monitor, these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Wyoming, Colorado, Idaho and Utah

Triggering Disaster: Drought (Fast Track)

Application Deadline: December 14, 2026

Primary Counties Eligible:

- **Wyoming:** Albany, Carbon, Lincoln, Sweetwater and Uinta

Contiguous Counties Also Eligible:

- **Wyoming:** Converse, Fremont, Laramie, Natrona, Platte, Sublette and Teton
- **Colorado:** Jackson, Larimer, Moffat and Routt
- **Idaho:** Bear Lake, Bonneville and Caribou

- **Utah:** Daggett, Rich and Summit
