USDA Designates Five Arizona Counties as Natural Disaster Areas

Emergency Designation | Arizona | June 03, 2026

Arizona

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through emergency loans. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the U.S. Drought Monitor, these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Arizona, Colorado, New Mexico and Utah

Triggering Disaster: Drought

Application Deadline: Dec. 7, 2026

Primary Counties Eligible: Arizona: Apache, Graham, Greenlee, Navajo, and Pima

Contiguous Counties Also Eligible:

- **Arizona:** Cochise, Coconino, Gila, Maricopa, Pinal, Santa Cruz, and Yuma
- **Colorado:** Montezuma
- **New Mexico:** Catron, Cibola, Grant, Hidalgo, McKinley, and San Juan
- **Utah**: San Juan
