Barrigada, Guam September 2, 2026 - The U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) has extended the application period for the Emergency Conservation Program (ECP) in Guam and the Commonwealth of the Northern Mariana Islands (CNMI) Counties for operations impacted by the Typhoon Bavi.

ECP provides cost-share and technical assistance to producers to restore farm and ranch land to pre-disaster conditions following a qualifying natural disaster. ECP signup in Guam and CNMI began on July 15, 2026. With the extension, the deadline to apply for assistance is now November 10, 2026.

Approved ECP applicants can receive up to 75% of the allowable cost of the approved restoration activity, with a maximum cost share of \$500,000 per natural disaster event.

More Information

To learn more about ECP as authorized for implementation in the listed counties, producers can contact their County FSA Office. Producers who want to apply for ECP are encouraged to call the Guam County FSA Office at (671) 472-7490 to schedule an appointment. To find contact information for your County FSA Office, visit farmers.gov/service-center-locator.

FSA helps America's farmers, ranchers and forest landowners invest in, improve, protect and expand their agricultural operations through the delivery of agricultural programs for all Americans. FSA implements agricultural policy, administers credit and loan programs, and manages conservation, commodity, disaster recovery and marketing programs through a national network of state and county offices and locally elected county committees.
