*Emergency Support to Producers in Surrounding Counties/Border States Also Available*

**WASHINGTON, Aug. 14, 2019** - Agriculture Secretary Sonny Perdue designated 102 Illinois counties as primary natural disaster areas. Producers who suffered losses due to excessive moisture, flooding and flash flooding that has occurred since Sept. 1, 2018, may be eligible for U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) [emergency loans](#).

The Illinois counties with the primary natural disaster designation include Adams, Alexander, Bond, Boone, Brown, Bureau, Calhoun, Carroll, Cass, Champaign, Christian, Clark, Clay, Clinton, Coles, Cook, Crawford, Cumberland, DeKalb, DeWitt, Douglas, DuPage, Edgar, Edwards, Effingham, Fayette, Ford, Franklin, Fulton, Gallatin, Greene, Grundy, Hamilton, Hancock, Hardin, Henderson, Henry, Iroquois, Jackson, Jasper, Jefferson, Jersey, Jo Daviess, Johnson, Kane, Kankakee, Kendall, Knox, Lake, LaSalle, Lawrence, Lee, Livingston, Logan, McDonough, McHenry, McLean, Macon, Macoupin, Madison, Marion, Marshall, Mason, Massac, Menard, Mercer, Monroe, Montgomery, Morgan, Moultrie, Ogle, Peoria, Perry, Piatt, Pike, Pope, Pulaski, Putnam, Randolph, Richland, Rock Island, St. Clair, Saline, Sangamon, Schuyler, Scott, Shelby, Stark, Stephenson, Tazewell, Union, Vermilion, Wabash, Warren, Washington, Wayne, White, Whiteside, Will, Williamson, Winnebago, and Woodford.

This natural disaster designation allows FSA to extend much-needed emergency credit to producers recovering from natural disasters. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts.

Producers in the contiguous counties of Benton, Gibson, Knox, Lake, Newton, Posey, Sullivan, Vermillion, Vigo, and Warren in Indiana; Clinton, Des Moines, Dubuque, Jackson, Lee, Louisa, Muscatine, and Scott in Iowa; Ballard, Crittenden, Livingston, McCracken, and Union in Kentucky; Cape Girardeau, Clark, Jefferson, Lewis, Lincoln, Marion, Mississippi, Perry, Pike, Ralls, St. Charles, Ste. Genevieve, St. Louis, Scott, and the city of St. Louis in Missouri; and Grant, Green, Kenosha, Lafayette, Rock and Walworth in Wisconsin, are also eligible to apply for emergency loans.

The deadline to apply for these emergency loans is April 7, 2020.

FSA will review the loans based on the extent of losses, security available and repayment ability.

FSA has a variety of additional programs to help farmers recover from the impacts of this disaster.

FSA programs that do not require a disaster declaration include: [Emergency Assistance for Livestock, Honeybees and Farm-Raised Fish Program](#); [Emergency Conservation Program](#); [Livestock Forage Disaster Program](#); [Livestock Indemnity Program](#); [Operating and Farm Ownership Loans](#); and the [Tree Assistance Program](#).

Farmers may contact their local USDA service center for further information on eligibility requirements and application procedures for these and other programs. Additional information is also available online at [farmers.gov/recover](https://farmers.gov/recover).
