

Farm Service Agency  
U.S. DEPARTMENT OF AGRICULTURE

## USDA Designates 5 Minnesota Counties as Contiguous Natural Disaster Areas

News Release | Minnesota | May 14, 2021

[View PDF](#)

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

**Triggering Disaster #1:** Excessive moisture/rain and flooding that occurred January 1 through August 1, 2020.
