

USDA Designates 31 New York Counties as Primary Natural Disaster Areas; 8 Pennsylvania Counties as Contiguous

News Release | Pennsylvania | August 22, 2023

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

Impacted Area: New York

Triggering Disaster: Freeze & Frost
